Batch History (P_20130221TEX222_5010.txt)

This page allows you to view a listing of all documents contained within a batch. If the document is part of a parent transaction (a 276 Claim Status Inquiry for a specific claim for instance), the 'View Transaction Set' link will allow you to view the documents history. Clicking the 'View Transaction Set' will also also allow you to view a document in image form.

This page is also sortable by a number of criteria. You may enter a reference number or an export name to search for documents within the current batch. To search for a document, enter the search criteria into the 'Search' box at the top right of the table.
