

Get ready for open enrollment

We'll make it easier with this handy checklist.

Photo by Visit Milwaukee

Open enrollment starts 11/1/21. Get a quote and apply online at chorushealthplans.org.

1. Know the key dates

- Nov. 1, 2021 – Jan. 15, 2022 is the Open Enrollment period when you can purchase plans on the Marketplace.
- Enroll by Dec. 15, 2021 to have coverage begin Jan. 1, 2022, as long as your premium is paid.

There are times outside Open Enrollment where you can apply for coverage. Learn more about these Special Enrollment Periods at chorushealthplans.org/SEPs

2. Review your options

Chorus Community Health Plans 2022 plans are available on our website at chorushealthplans.org/2022-Plan-Options. Pricing for these plans will be available starting Nov. 1, 2021.

Chorus Community Health Plans offers nine plans, including a Bronze Copay plan with a \$0 deductible, a High Deductible HSA qualified plan, and an off-exchange only Silver Choice plan. The Silver Choice plan can be purchased directly at chorushealthplans.org as you cannot use advanced premium tax credits of cost-share reduction benefits.

NEW IN 2022! Chorus Community Health Plans offers two separate dental plans to add to your coverage. Plans are on or off exchange for you or the whole family and cover basic and major services.

3. Prepare your info

When you apply for or renew your coverage, you'll need to provide some information about you and your household, including:

- The names and social security numbers of every household member
- Household income
- Employer information for each person in your household
- How you file your federal income taxes
- Immigrant document information (if applicable)

4. Ask for help

Chorus Community Health Plans is here to answer your questions. You can speak with a member of our local support team directly at (844) 708-3837. You can also speak to your health insurance agent.
